

Since RFT I have a better understanding about the relevance of high school and college to my future.

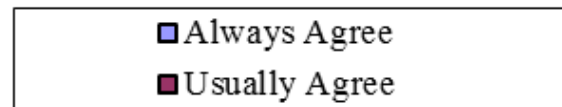

N = 82

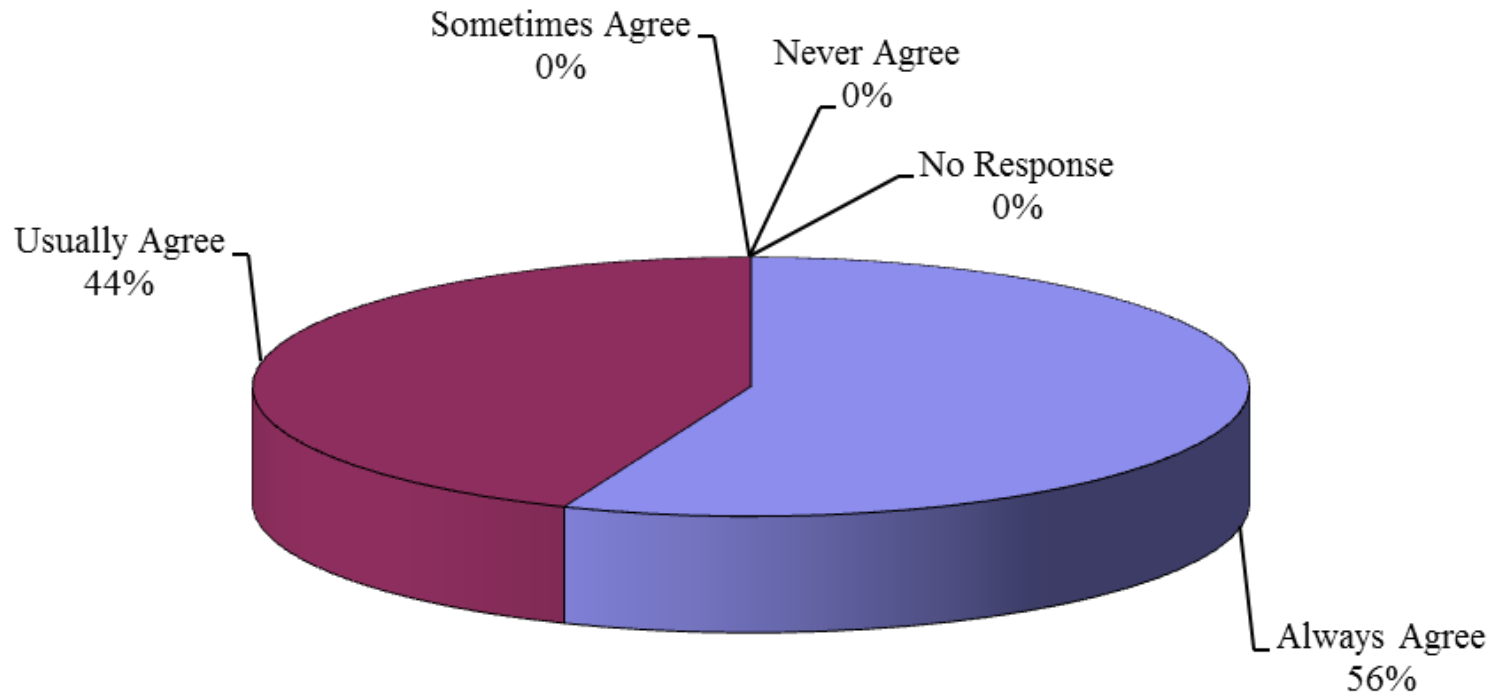

I will complete high school because of my experience with RFT.

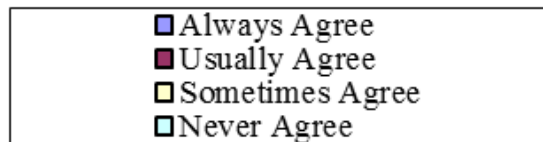

N = 82

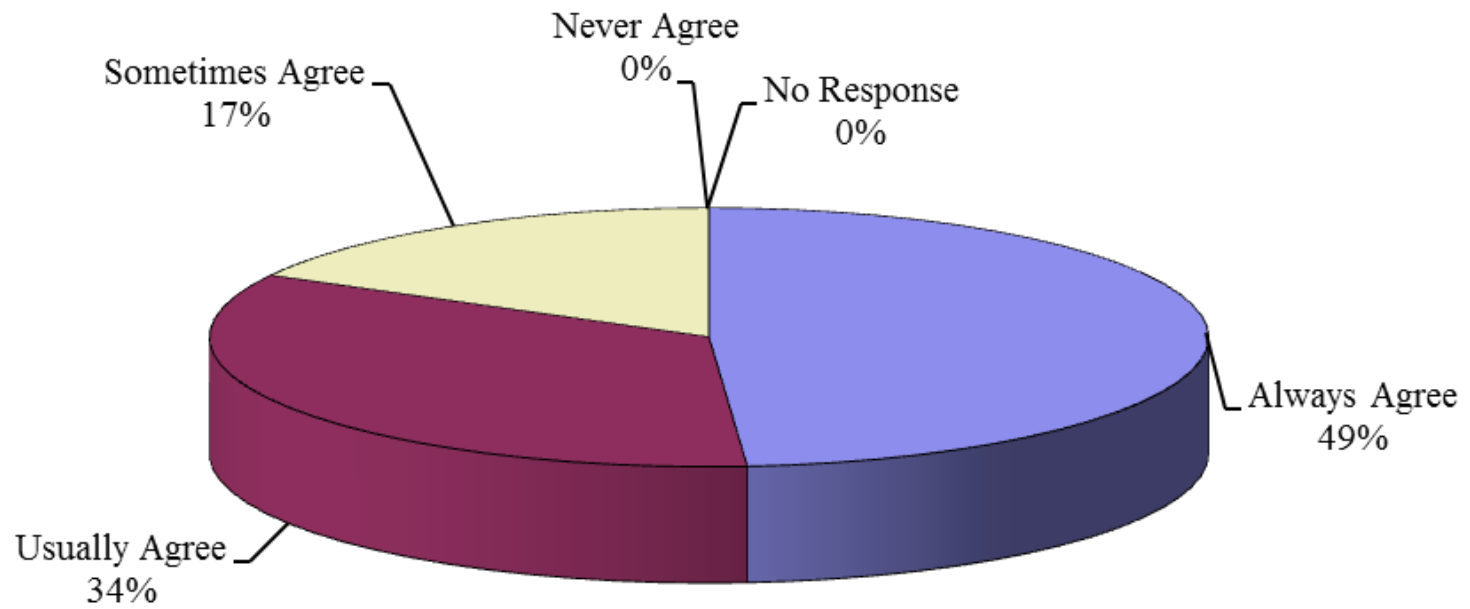

RFT is a program that has had the greatest impact on my life with regard to school, careers, and the military.

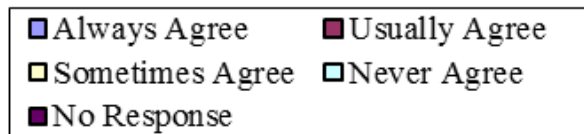

N = 82

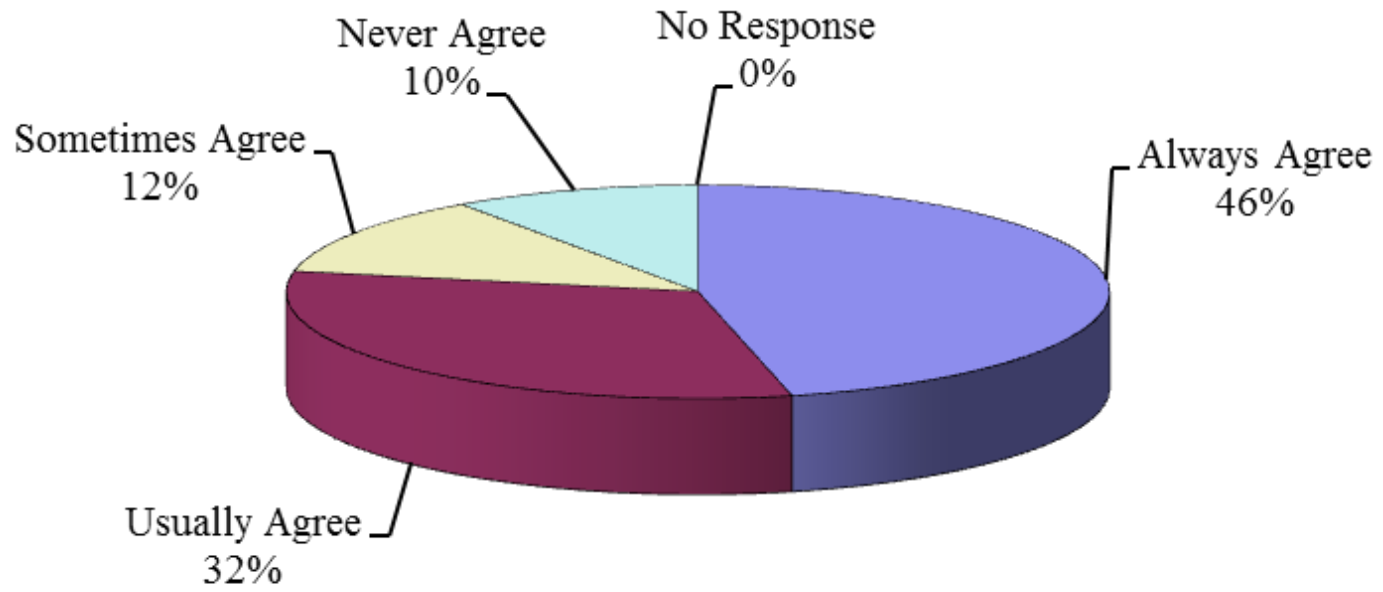

My family has seen significant changes in my attitude towards school due to the RFT program.

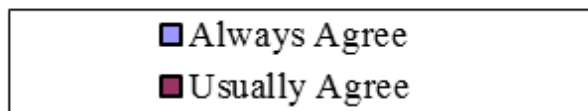

N = 82

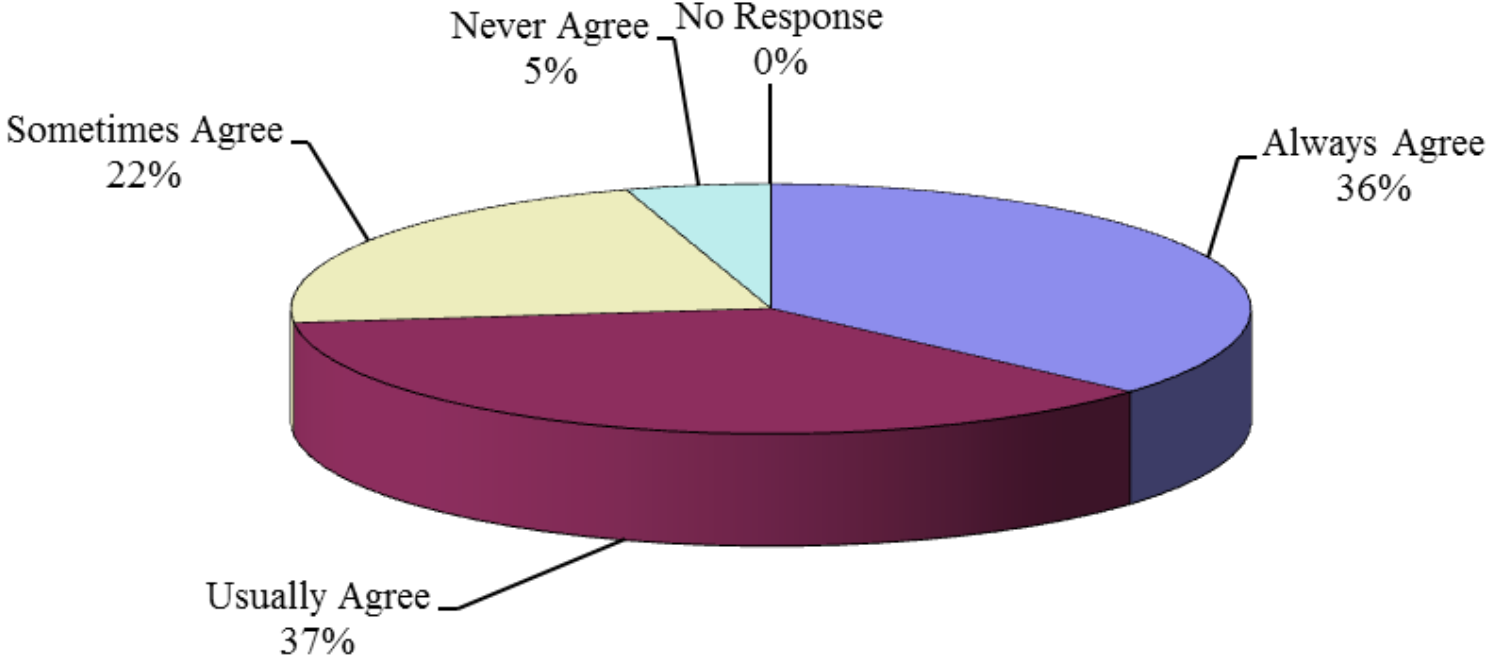

If I work hard enough to attend a military academy I will be able to enter nearly any college of my choice.

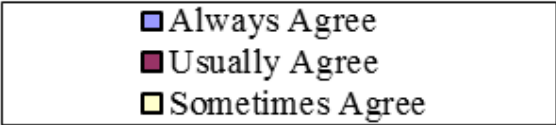

N = 82

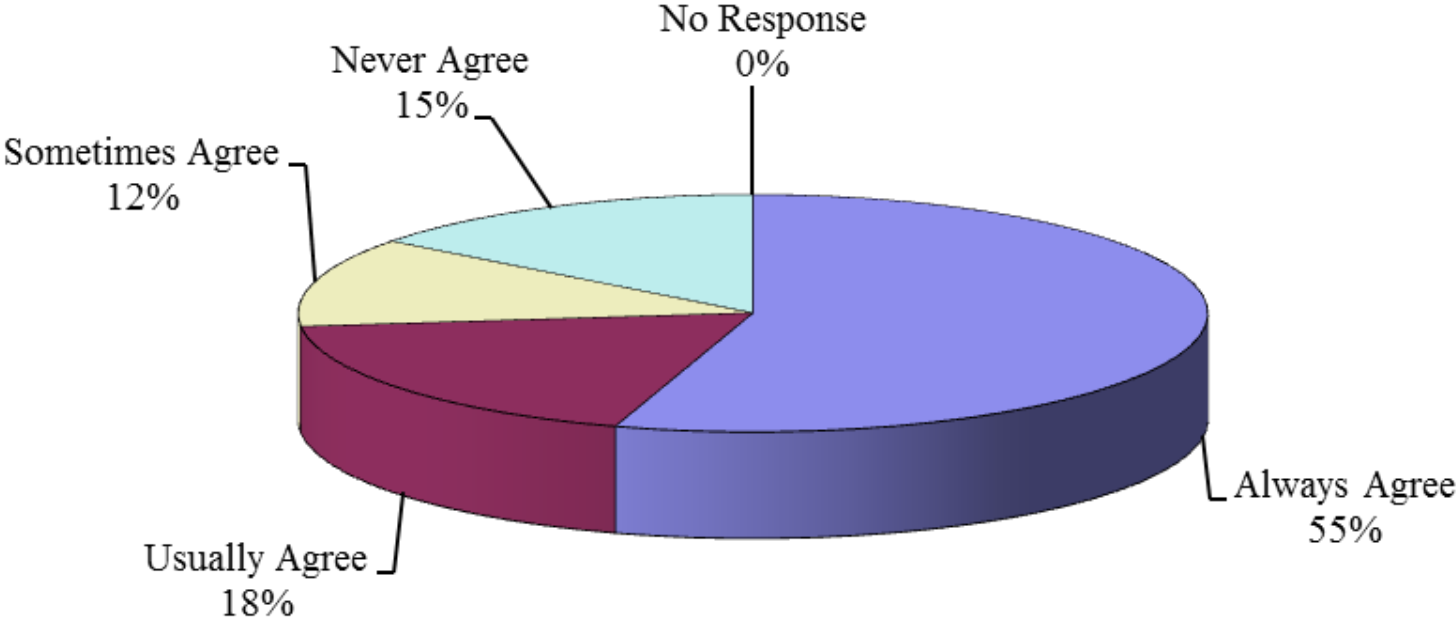

My grades have improved this year because I learned how important the first two years of high school are through my RFT summer experience.

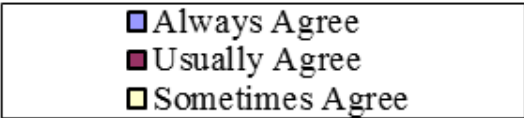

N = 82

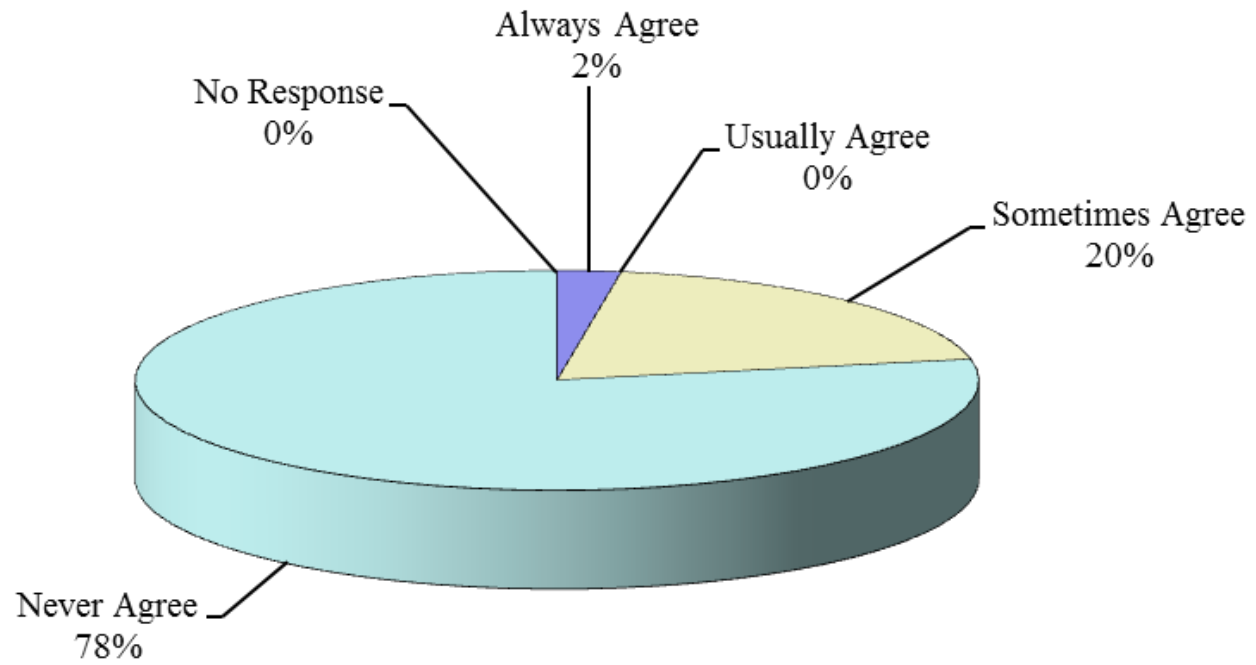

My school attendance is better this year than in the past.

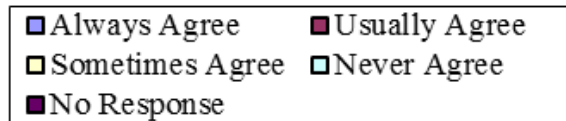

N = 82

A one time experience like RFT did nothing for me personally.

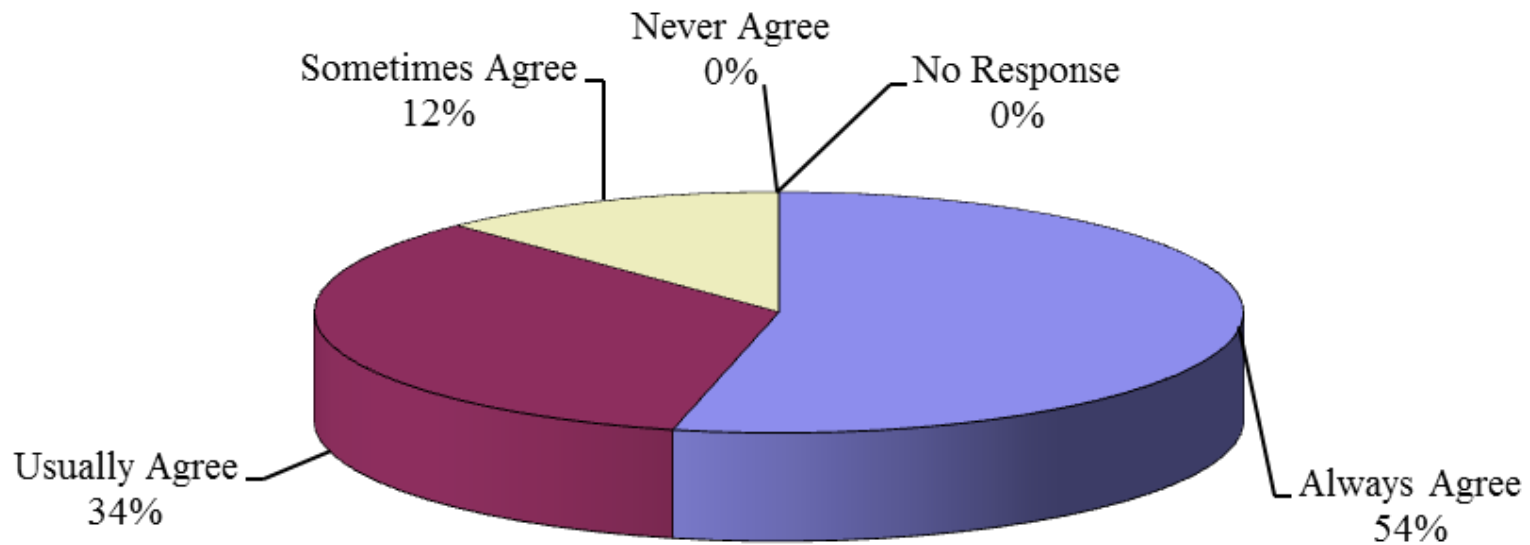

N = 82

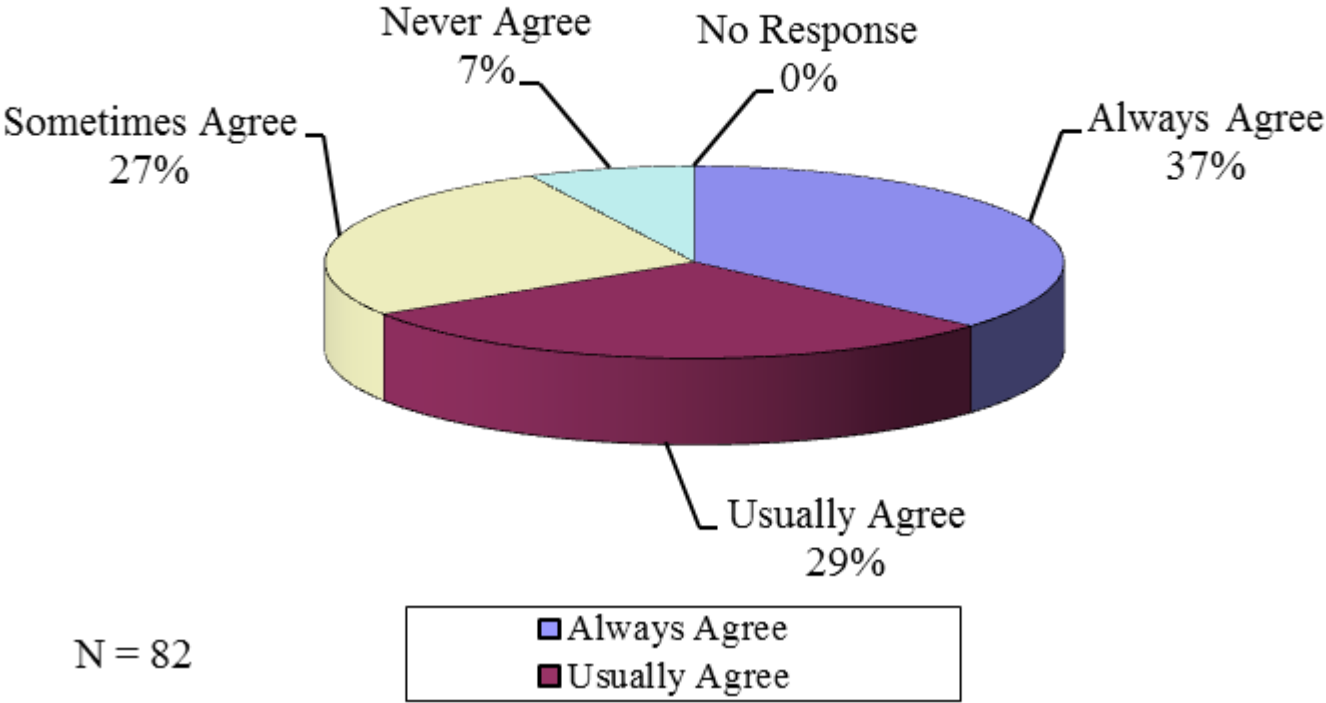

This past summer's RFT trip convinced me that I needed to work harder in high school than in 8th grade.

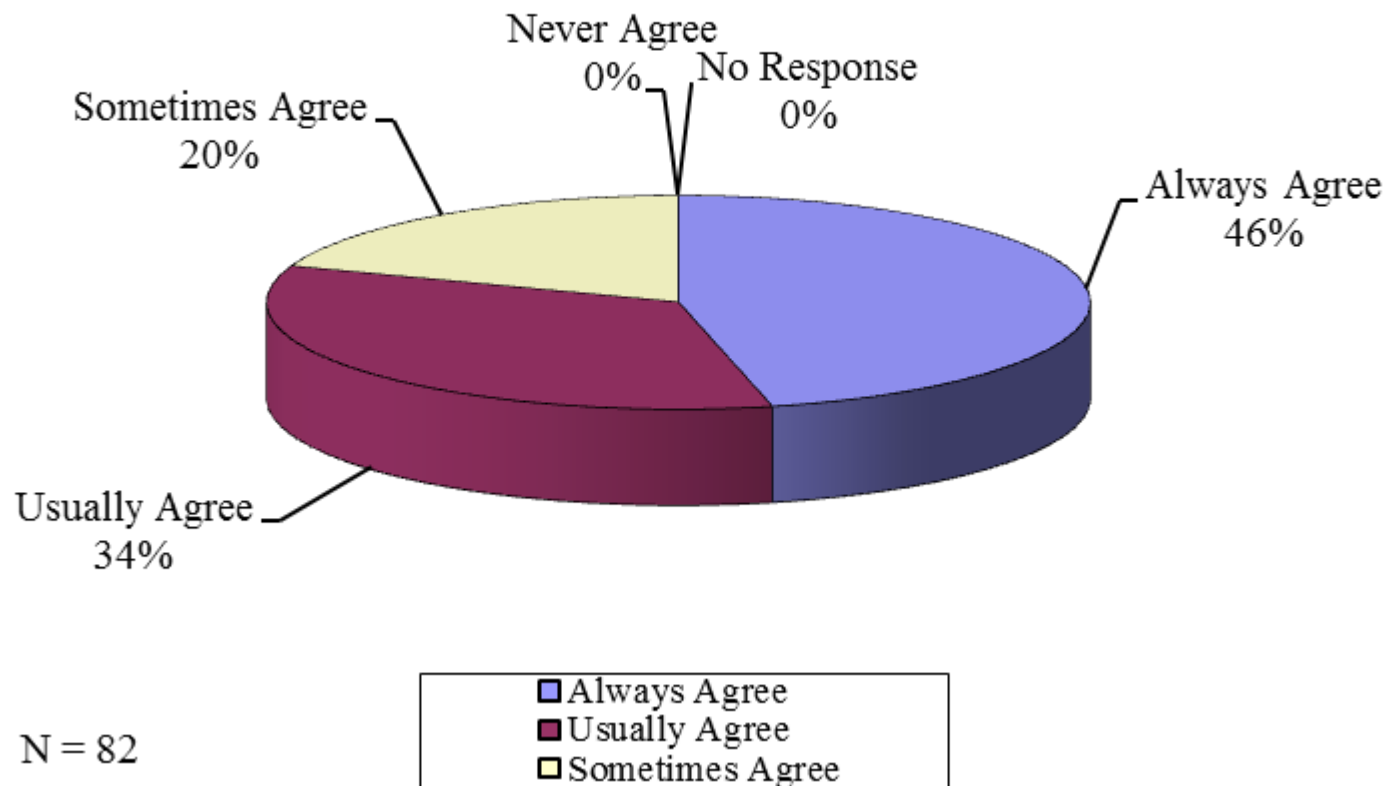

N = 82

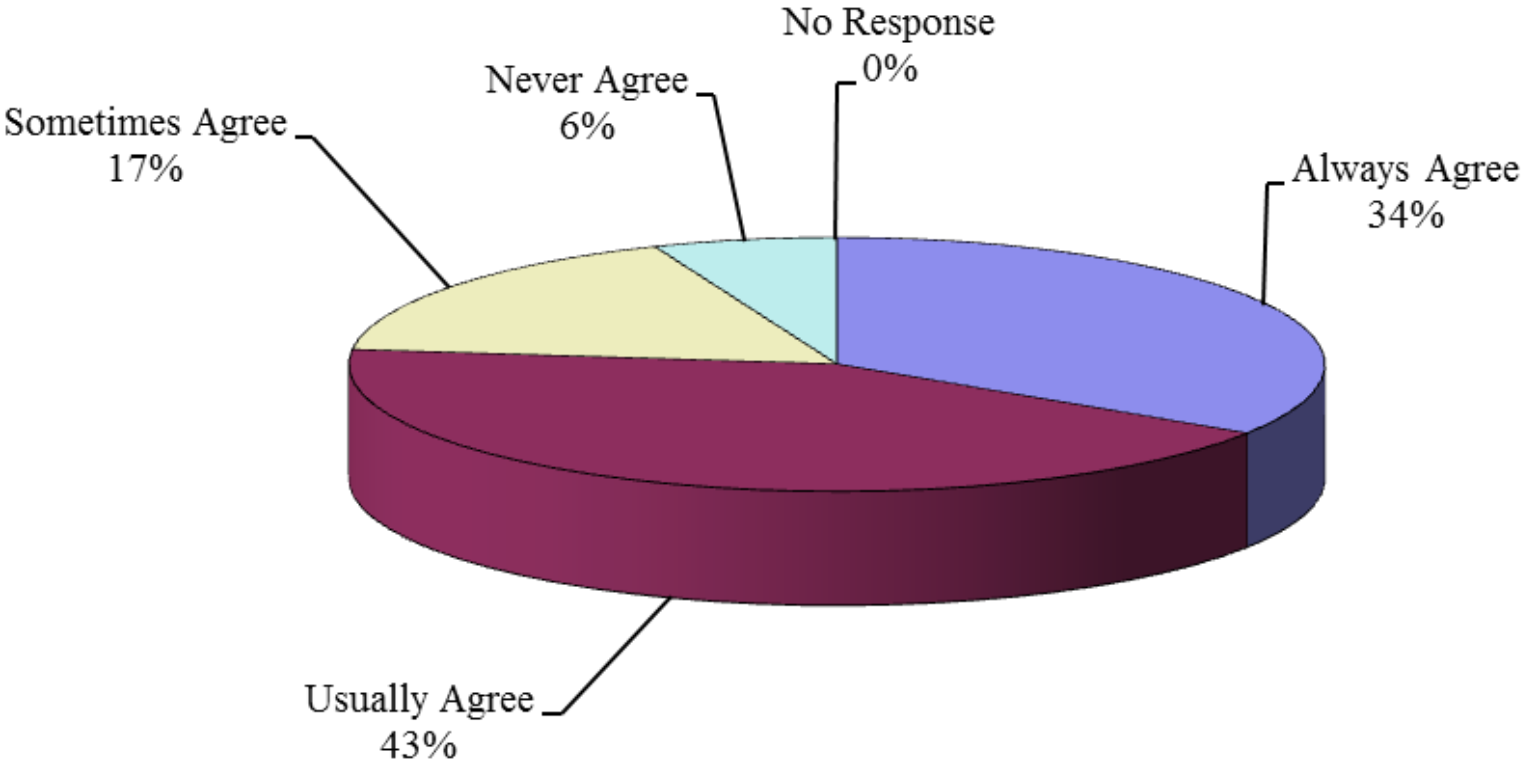

I am seriously considering attending a service academy for college.

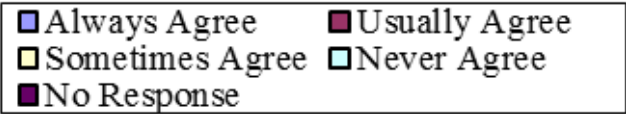

RFT provided me with a clearer picture of my options after high school than what I thought before this program.

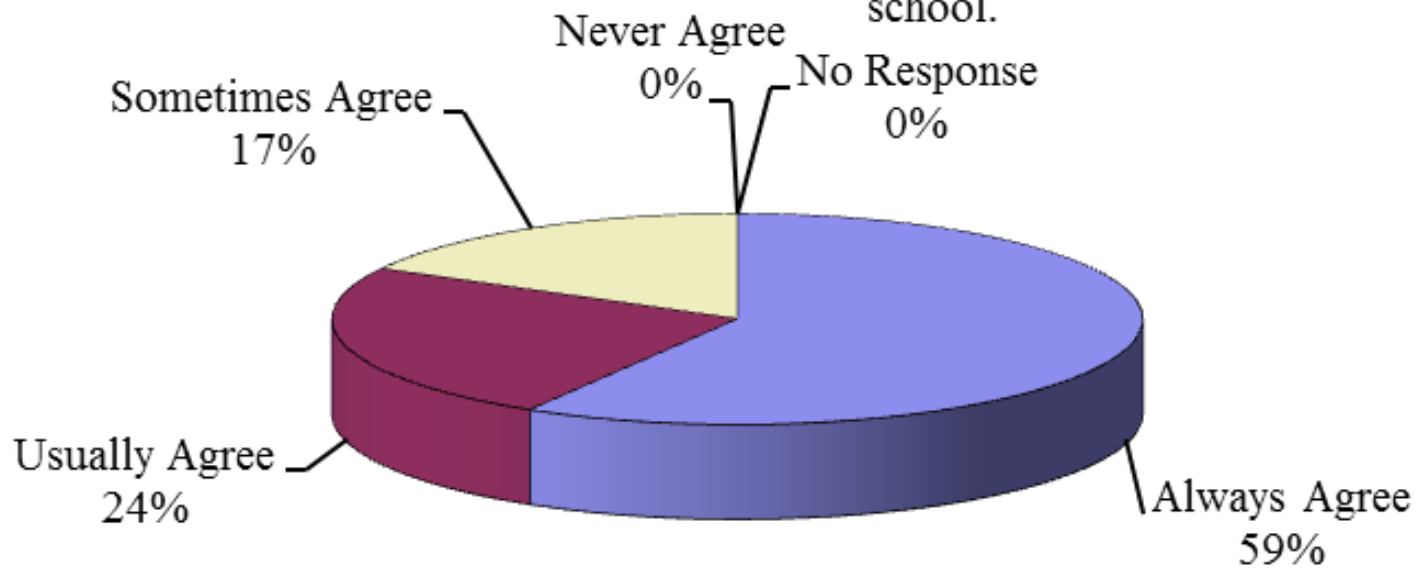

A one time experience like RFT helped me to do better this year in school.

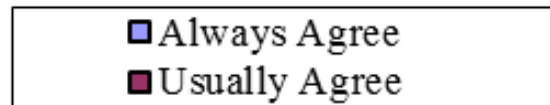

N = 82

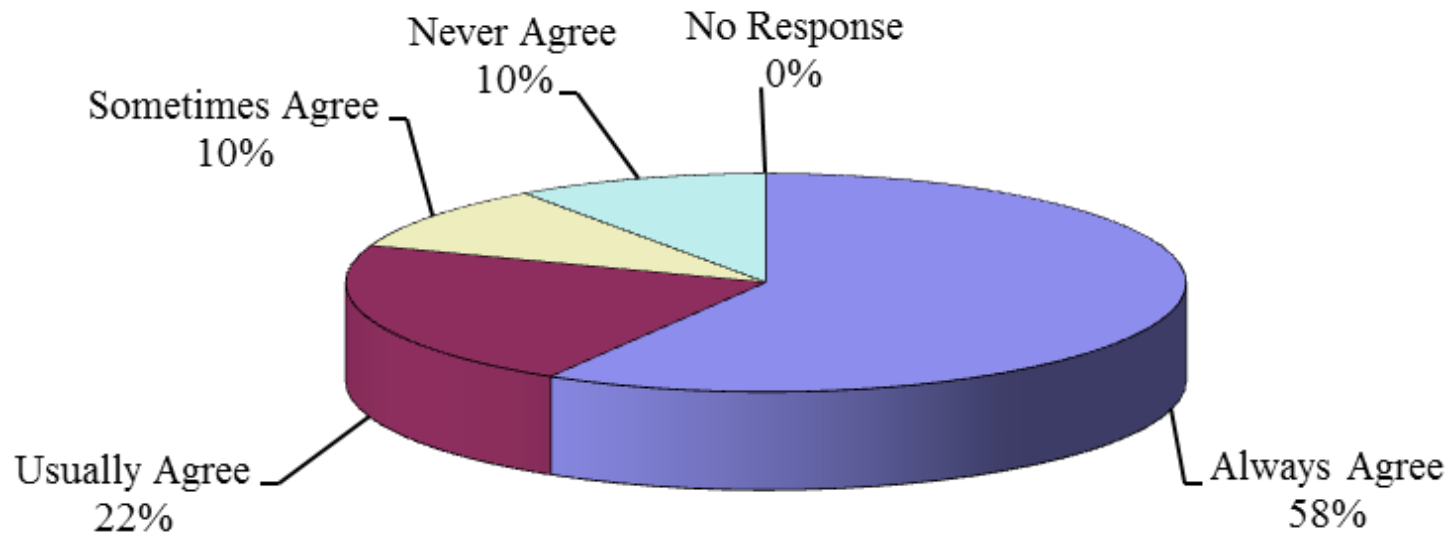

RFT convinced me that I had to get involved in more than academics in high school.

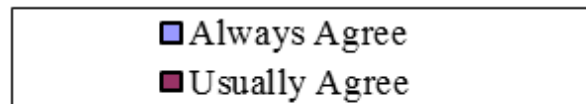

N = 82

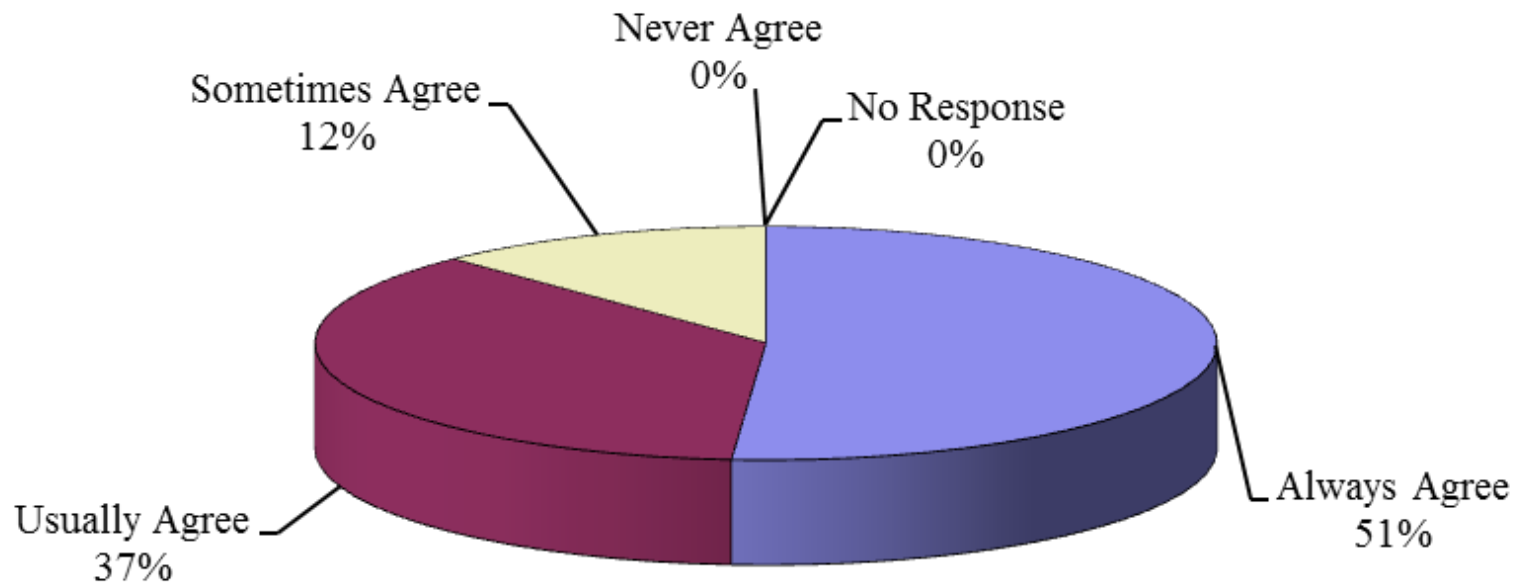

RFT made me realize how important 9th and 10th grades are as I continue through high school.

N = 82

RFT helped me set new goals for my future.

N = 82
